REMARKS: Has an affinity for a poem by Emma Lazarus entitled “The New Colossus” which reads:

Not like the brazen giant of Greek fame, With conquering limbs astride from land to land;
Here at our sea-washed, sunset gates shall stand - A mighty woman with a torch, whose flame -
Is the imprisoned lightning, and her name -Mother of Exiles. From her beacon-hand
Glowes world-wide welcome; her mild eyes command - The air-bridged harbor that twin cities frame.
“Keep ancient lands, your storied pomp!” cries she - With silent lips. “Give me your tired, your poor,
Your huddled masses yearning to breathe free, - The wretched refuse of your teeming shore.
Send these, the homeless, tempest-tost to me, I lift my lamp beside the golden door!”

Liberty is herself an Illegal Immigrant who has been working in the US for many years but has never gotten her papers from the INS, Social Security Bureau, or The State of New York where she has been rumored to reside.

CAUTION

Liberty should be considered HIGHLY DANGEROUS and has a very tempestuous demeanor. Should you choose to interact with Liberty, you will be responsible for your own actions. It has been rumored that Liberty has been spotted in this area, and her EXTREMELY QUESTIONABLE views can be heard locally.
